# Year 3 Newsletter

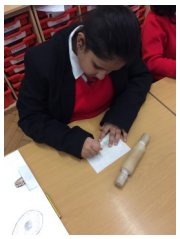
## Week ending: Friday 20th November 2026

**English:** Year 3 have been exploring the mummification process. They worked with their partners to research and retrieve key information about important key words. They researched the function of natron, Canopic jars, mummification and other aspects. They have now written the introduction and first paragraph of their chronological report, about how Ancient Egyptians created mummies.

**Maths:** Year 3 have really grasped the concept of equal groups, groups of, commutative law and arrays in their maths lessons. They have applied these concepts to division, using the 3,4 and 8's timetables. We have now shown Year 3 how to access Emile, an educational website to support your daughter's learning. Please encourage your daughter to practice their 3, 4 and 8 times tables on Emile.

**Art:**

The girls made jewellery using Celtic traditional designs. They carefully indented their traced design using a craft scalpel and toothpick onto the fimo. The final pieces looked great!



**History:**

The girls enjoyed learning about Ancient Briton and how and where the Britons lived from the Stone age, Bronze age to the Iron age. We explored their lifestyle and compared their homes over the 10'000.

**REMINDER:**

We have noticed quite a few of our girls are wearing trainers to school instead of school shoes and incorrect PE clothes, **this is not acceptable**. Please ensure your daughter wears the correct uniform every day. Black school shoes are to be worn daily. For PE the girls **change** into black trainers/plimsolls; a plain red or WJGS logo PE top; and plain black bottoms.
