Winterbourne Junior Girls'

Year 5 Newsletter

Week ending Friday 23rd October 2026

This week…

This week has been a wondrous week.
It all commenced on Monday with Enrichment Day. We undertook various activities that involved exploring about many Black inspirational figures—discuss with your daughters all the interesting facts that they learned.

English

Having explored the personality traits of the character Lila, the Firework Maker's Daughter, the girls have continued their diary writing. They have incorporated the features of diaries and included a variety of Alan Peat sentences and other literary devices, to write three engaging entries as the character.

Mathematics

In Maths, they defined concepts such as: multiple, factor and square, prime, composite numbers. They used multiplication and division facts to identify multiples and common multiples of numbers and determined prime and composite numbers to 100.

Black History

This week the pupils were busy stepping into the shoes of their class inspirational figure and wrote a diary entry, they also did some fantastic artwork representing their pioneer.
