

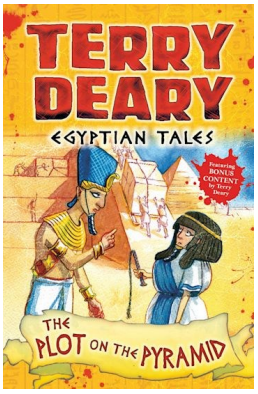
Winterbourne Junior Girls' School
Year 3 Newsletter

Week ending: Friday 13th November 2026

Welcome back to a new half term!



English:
This week, pupils edited and improved their own sets of instructions on how to make mud bricks, refining their use of imperative verbs, subheadings, and extra information to give clear and confident directions.

Maths: This week, pupils have been working with the 3, 4 and 8 times tables. They explored how multiplication and division are connected and used this knowledge to solve a range of word problems involving both operations. The class enjoyed investigating different strategies, explaining their reasoning, and building confidence with their times tables.

Topic - Who Were the Greatest Builders in the World?:

The girls were introduced to a new History focused topic. We will be looking at different builders from different civilisations. Please ask your daughters what they have learnt so far about the Iron Age.

History:

Year 3 had a look at the school timeline which details from when Earth was formed, through BC, AD and present. This helped them to understand facts about the Iron Age, when Lindow Man was alive and how long ago it really was. Pupils were able to use a fact sheet to research and write facts about the Iron Age.

Art:

Year 3 learnt how to apply their shading techniques to make a sketch of Celtic knots.

REMINDER:

We have sent the record logs home with your daughter. Please try and help your daughter to log in to Google Classroom and use Accelerated Reader (AR) for MyOn, Emile, and PurpleMash.

Odd Socks Day—Monday 16th November

It is Anti-Bullying week next week and Odd Sock Day on Monday 16th November. Please ensure your daughter comes into school wearing their FULL UNIFORM with odd socks.

Value of the month:

Tolerance
