Year 6 Newsletter 10

Week ending: Friday, 20th November 2026

This week, Year 6 pupils explored the question - What makes a good life?

They discussed factors that can improve life, such as political stability, medical care, education, and technology, and considered the important idea that change over time does not always mean progress.

Girls then created their own list of what people need for a good life, distinguishing clearly between essential needs and wants. Their thoughtful discussions showed great maturity and curiosity.

This week, our Year 6 pupils enjoyed a wonderful visit to Wakehurst Trust Park. They took part in a festive Christmas Craft workshop, creating seasonal decorations to bring home.

The children also deepened their scientific understanding by learning about plants and seeds, exploring how important research is carried out, and examining a fascinating variety of seeds before completing an interactive quiz.

To round off the day, pupils enjoyed a calming wellbeing trail through the beautiful grounds. It was a fantastic experience for all, combining creativity, learning and time in nature.
