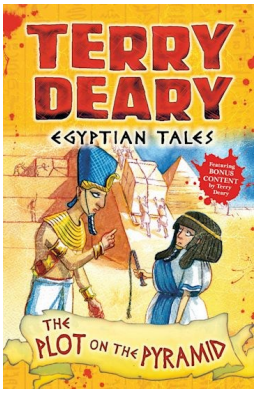
Year 3 Newsletter

Week ending: Friday 6th November 2026

Welcome back to a new half term!



English:
We are focusing on two books this half term: The Magic and the Mummy and The Plot on the Pyramid by Terry Deary. Both books are based in Egypt. This closely links to our History topic for this half term. This week, the focus was on writing a set of instructions on how to make mud bricks. They have explored features of instructions, such as imperative verbs.

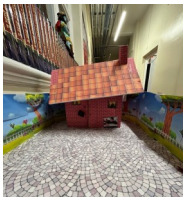
Maths:
The girls recapped their learning of addition and subtraction, using bar models to solve word problems. Next week, the girls will be moving on to a new unit: multiplication and division. Please encourage your daughters to use Emile to learn her times tables.

Topic - Who Were the Greatest Builders in the World?:

The girls were introduced to a new History focused topic. We will be looking at different builders from different civilisations. We will be exploring the earliest civilisations and locate where the first towns and cities were in the world. This will then lead us to learn about the achievements of the Ancient Egyptians – the period of building the great pyramids.

DT Houses:

Can we please remind you to send you daughter into school on Monday, with her decorated DT house. Thank you to everyone who has already brought in their house.



REMINDER:

We have sent the record logs home with your daughter. Please try and help your daughter to log into Google Classroom and use Accelerated Reader (AR) for MyOn, Emile, and PurpleMash.

Word of the Week:

Please encourage your girls to write a sentence with the word:

blizzard

Value of the month:
