Winterbourne Junior Girls' School

Value - Ambition
Ambition is the first step to success. The second is action.

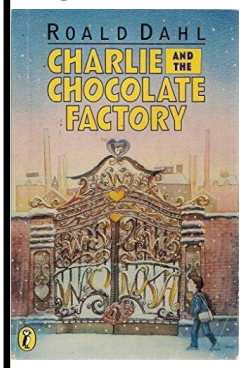
Year 4 Newsletter 17

Week ending: Friday 16 January 2026

Aspirations, Expectations, No Excuses

This Week…

English *Charlie and the Chocolate Factory*



The girls completed their publication of Charlie's letter to his cousin, using their neat cursive handwriting

Mathematics

We continued to consolidate different methods for division and used them to solve problems. We continued to practise our timetables.

History

We explored the history of chocolate: where it originated and the story behind its introduction in Europe in the middle of the 16th century.

Science

Our discussions focused on the food value of chocolate and why chocolate eating must be balanced with healthy activities. The girls examined chocolate wrappers to investigate how many calories in every 100 grams per product. They drew a bar chart to compare the amount of energy in each product.

Design & Technology

The girls identified what packaging attracts consumers to buy products and why. For example colour, font and price.
