Year 6 Newsletter 19

Week ending: Friday, 30th January 2026

In Geography, Year 6 have been exploring maps this week.

They located all the continents and traced

Charles Darwin's 19th-century voyage aboard the HMS Beagle. Using blank maps and Google Maps, they plotted key locations and joined them to follow Darwin's amazing journey around the world.

This week, our Year 6 girls took part in an inspiring spoken word poetry workshop exploring this year's theme, "What We Share." Pupils reflected on the stories, places and experiences that connect us as a school community.

During the session, the girls wrote their own poems addressed to a future pupil who may attend our school in 50 years' time.

SAT'S Information Evening:

It was lovely to see such a great turn-out at our SAT's information evening this week - it was clear that you appreciate the amount of learning the girls have to take on board during Year 6. We hope that it is also clear how important the girls' homework is, and how crucial it is that they attend Saturday Tuition every week, the SAT's will be here before we know it.
