

Value: **HARD WORK**

We are **not SUCCESSFUL** because We are **SMart**.
We are **SUCCESSFUL** when we **work hard**.

Winterbourne Junior Girls' Year 3 Newsletter

Week ending Friday 20th March 2026

English: This week, the girls began their assessments with a reading paper. They also revisited their descriptive writing about Hannah and her father, enhancing their work with richer vocabulary and vivid details to make it more engaging and exciting for the reader.

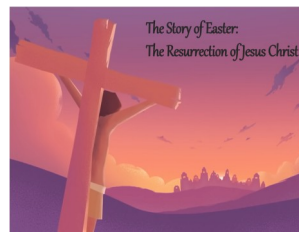

Maths: Children have been learning to tell the time using analogue and digital clocks. They have practised reading time to the minute and using a range of vocabulary such as *o'clock*, *past*, *to*, *a.m./p.m.*, as well as *morning*, *afternoon*, *evening*, *midday* and *midnight*. They have learned to read and represent time in different ways, including Roman numerals, and to convert between 12-hour and 24-hour time. This learning helps children to understand and manage time in everyday life, from following daily routines to solving real-life problems.

18:50 is 10 minutes to 7 o'clock in the evening.

R.E: This week the children began learning about Easter and its importance for Christians. They explored the events of the crucifixion and resurrection of **Jesus Christ**, thinking about how different people may have felt at these moments. Through discussion and diary writing, the children started to understand why these events are significant for Christians.

Art: The girls have begun their exciting new topic, The Games Children Play, inspired by Pieter Bruegel's painting. In art, they captured movement through quick figure sketching using an artist's dummy, and explored sketching pencils, crayons, and charcoal to create expressive work.

What does the Idiom mean?
