Hard Work

'The harder you work, the luckier you get.'

Winterbourne Junior Girls' School

Year 6 Newsletter 25

Week ending: Friday, 20th March 2026

In PSHE, we are continuing with our Healthy Me jigsaw piece and exploring the risks and dangers of gangs. The girls looked at what the word 'gang' means and the different reasons people may join a gang, recognising the dangers that come with this choice.

This week, Year 6 had a wonderful time visiting the cinema to watch the science fiction film Arco. They thoroughly enjoyed the experience and were excited to

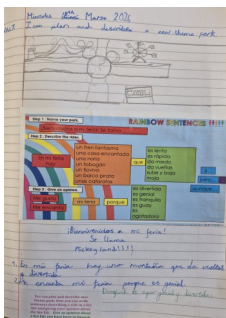

watch the film on the big screen. The movie not only provided lots of fun and entertainment, but also gave them insight into the future, technology, creativity, and storytelling.

This week, Year 6s have written the introduction to their balanced arguments and developed one side of the debate based on Two Sisters by Kereen Getten. They have worked carefully to use formal language, clear structure, and evidence from the text. Next week, they will complete their writing by exploring the other side of the argument and writing a thoughtful conclusion to bring their ideas together.

In Spanish this week, the girls designed their own theme park and described it in Spanish, sharing their favourite ride and giving their personal opinion about it.
