Winterbourne Junior Girls' Year 3 Newsletter

Week ending Friday 27th March 2026

This Week...

Pupils completed their maths and Spelling, Punctuation, and Grammar (SPaG) assessments with fantastic effort and determination. They have worked incredibly hard, showing great focus and resilience, and should feel extremely proud of everything they have achieved.

RE: Pupils revisited the Easter story, focusing on Luke 23:34, when Jesus said, "Father, forgive them". They explored how Christians believe Jesus' death allows people to receive forgiveness and grow closer to God, helping them understand the connection between faith and forgiveness.

PSHE We have been learning about how our food choices impact our health. The children discussed the effects of sugar,

fat and calories on their bodies and explored how healthy choices can help them stay energised, grow strong and feel their best. They showed great thinking when explaining their ideas.

On Thursday, pupils started the day by listening to the Easter story and learning about the true meaning of Easter. Later, the playground was filled with excitement as they took part in a fun Easter egg hunt, followed by a fantastic raffle. It was a joyful day, full of smiles, surprises, and festive cheer.

On Friday, Year 3 had a lovely trip to the cinema, where they enjoyed watching 'Dogman' together. It was a special treat and a wonderful shared experience.

Student of the Term

Pupils attended our final assembly for the Spring term. Congratulations to our students of the term. This is an important award recognises pupils who consistently embody our school values and ethos, demonstrating excellence and dedication every single day.
