Winterbourne Junior Girls' Year 3 Newsletter

Week ending Friday 6th March 2026

English: The girls revisited and improved two key scenes in their writing: one between Hannah and her father, and another between Hannah and the gorilla. It has been wonderful to see their growing confidence in editing their own work and developing richer descriptions.

STARS OF THE WEEK

3.1: Pari & Vrisha

3.3: Lenya & Haram

Maths: Pupils continued the concept of money, adding, subtracting and completing one and two step word problems. The girls understand the concept of applying a discount to an original price and can identify the number operation needed to carry out the calculation and calculate change after spending.

Bucket Fillers

3.3: Mayna

RE: Pupils learned about people who inspire Humanists. They explored how scientists, thinkers and artists encourage kindness, fairness and responsibility. Inspired by John Lennon's song *Imagine*, the children wrote their own messages for a better world, reflecting on how they can show these values in everyday life.

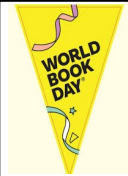

I believe everyone matters.
Make space for others to shine.
All people should be treated equally.
Give kindness freely.
Include those who feel alone.
Never solve problems with anger.
Everyone can help make the world better.
