This Week...

English

The girls explored new vocabulary and identified sensory ideas in a "The Magic Box" poem by Kit Wright.

Mathematics

The girls have continued their learning about money and have applied their knowledge to solve word problems

Science .

The girls completed their topic page on "what happens inside of us," and received an introduction on what they will be learning this term. They also learnt about the seven processes of living via "Mrs Gren," and classified objects into living, dead or never alive.

MRS GREN

History

This week we learnt about Captain Cook and James Lind. The girls found out that in the past, sailors

suffered from scurvy. In 1753, a doctor carried out an experiment and found that fruit juice helped to keep scurvy at bay. This discovery started the journey to help us understand what a healthy diet is today.

Computing

This week the girls listened and reviewed various music sounds in a piece of music. They discussed the different music elements and explained how the piece of music made them feel.
