Year 6 Newsletter 27

Week ending: Friday 17th April 2026

In Maths, Year 6 pupils have been exploring position and movement, learning how to describe and apply translations and reflections. They have shown great confidence in plotting coordinates and understanding how shapes move on a grid.

In Spanish, the girls explored the culture of tapas in Spain, learning about the variety of small dishes and the social traditions surrounding them. This helped deepen their understanding of Spanish customs while expanding their food-related vocabulary and conversational skills.

In PE this week, the girls took part in exciting relay races, putting their speed, teamwork and determination to the test. They worked brilliantly together, practising quick baton changes and cheering each other on to achieve their best.

Saturday Tuition

Saturday tuition will be taking place as normal, tomorrow. The extra sessions on Tuesday are also proving invaluable to the girls in the lead up to the SATs.
