Winterbourne Junior Girls' Year 3 Newsletter

Week ending Friday 24th April 2026

Year 3 had a fantastic trip to the London Wetland Centre, where they explored habitats, spotted wildlife, and enjoyed learning outdoors! It was a fantastic opportunity to bring their science learning to life and see nature up close. Your daughter will receive login details for Generation Wild, where she can complete 7 more activities to become an official member of the team. Good luck!

English: This week, we have started reading *The Secret Garden*. We have explored the opening pages and analysed a character. The children then wrote detailed descriptions of the character from two different perspectives.

Maths: This week, pupils have developed their understanding of time by calculating in hours, minutes, and seconds. They have also explored the calendar, including the number of days in each month and the difference between leap and non-leap years.

In true WJGS fashion, the whole school was buzzing as they took part in the TCS Mini London Marathon in school! A fantastic effort from Year 3!
