Winterbourne Junior Girls' School

Year 6 Newsletter 28

Week ending: Friday 24th April 2026

Year 6s proudly took part in the TCS Mini Marathon in Schools, showing determination, teamwork, and great spirit throughout the event. The girls represented their classes with enthusiasm and resilience, making it a fun and memorable experience for everyone involved. Well done to all participants for their fantastic effort!

MATHS NO PROBLEM!  In Maths this week, the girls have been learning how to present and interpret information in different ways. They began by exploring the mean and how it helps summarise data. They practised calculating the mean in different situations and even used it to find missing information. It's been a great opportunity to build their confidence with data handling.
