

Winterbourne Junior Girls' School

Year 4 Newsletter 32

Week ending: Friday 22nd May 2026

Aspirations, Expectations, No Excuses

This Week...

English

We edited and improved our writing for our sci-fi story. We then presented it neatly in our best cursive handwriting. We ended the week with a reading assessment. Ask your daughter how it went.

Mathematics

In Mathematics this week we have carried out our half of term assessments. In addition, the girls continued learning about symmetry by identifying symmetry in 2D

shapes and completing symmetrical figures.

The girls also participated in the MTC Cup competition and managed to reach the finals with pleasing results.

RE

This week we looked at why places of worship are important to our communities. The girls discussed the important roles they play other than teaching us about their faith, such as providing food banks etc.

Computing

The girls used a micro:bit to code a program that turns on a light switch when it gets dark, using sensors and logics.

Next week is half term. Please keep encouraging your daughter to practice times tables on Emile.

We return to School on **June 2nd 2026 @ 8:45am.** Our trip to the BFI is on **Wednesday 3rd June.**
