

Winterbourne Junior Girls' Year 5 Newsletter

Week ending Friday 22nd May 2026

This week, pupils planned and wrote a playscript based on a scene for the class' novel "Thief". They used a variety of AP sentence types to enhance their writing. In Reading Comprehension, pupils applied a variety of skills to posit accurate responses to questions asked. In Maths, pupils completed the unit on Volume and Capacity and can now apply formula to solve problems.

In Science, pupils described the life cycle of a plant, the pollination process and discussed how seeds are dispersed.

Through discussion in RE, pupils now understand what Humanists believe about creating a better world. This week they also visited the Hindu Temple—an essential for our RE curriculum.

Our PSHE, discussion allowed pupils to recognise that belonging to an online community can have positive and negative consequences.

Curriculum

Class Text: Thief

English: Play script

Math: Roman Numerals

PSHE: Relationships

Geo/Sci. Unit: Who are we? Why do I live here?

SPELLING

interfere, interrupt, intercity, interact, international, interrelated, interval, interest, interview, interface
