Winterbourne Junior Girls' Year 3 Newsletter

Week ending Friday 8th May 2026

Year 3 had an amazing trip to the Guildhall Art Gallery, where they enjoyed a workshop and guided tour exploring art, history, and performance. They learned about women's experiences through stories of strength, resilience, and change, and discovered inspiring women artists from diverse cultures.

English: Pupils stepped into the tiny claws of the robin from *The Secret Garden* and brought the story to life through imaginative monologue writing! The children explored the robin's first impressions of Mary and how its thoughts and feelings changed as her character began to blossom. They used fantastic descriptive language and a range of Alan Peat sentences to make their writing engaging and effective.

Science: Pupils have been learning all about the important role of roots in plants. They explored what roots are and how they

help plants to survive. The children also identified different types of roots and discovered

how they anchor plants and absorb water and nutrients from the soil.
