This Week...

English

We have continued writing our science fiction stories in third person. The girls used short and long sentences to build suspense.

Mathematics

We have continued our work on our times tables – focusing on the x6s, x7s, x8s and x9s facts.

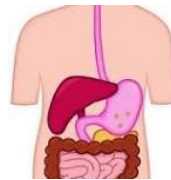

The girls learnt other strategies to help them memorise and solve these times table facts, including the inverse. We have also

begun learning about perimeter the total distance around the outside of a shape. They measured and calculated in centimetres and metres Adding the lengths of all the sides together

Science

This week the girls learnt about the digestive system. They labelled the main parts and understood how our food travels through the digestive system.

DT

In DT, the children planned their own board games inspired by this term's learning. The girls shared ideas thoughtfully and worked collaboratively to develop their design

Our trips

This week, the children enjoyed an exciting visit to the Unicorn Theatre to watch Shakespeare's A Midsummer Night's Dream brought to life on stage. We also attended the VITA MOTUS showcase at BRIT School, where the girls thoroughly enjoyed the energetic and inspiring performances.
