Winterbourne Junior Girls' Year 3 Newsletter

Week ending Friday 12th June 2026

English: Pupils completed, edited and enhanced their reports on life during apartheid, inspired by our class text, Journey to Jo'burg. They also enjoyed reading with their Year 6 buddies, further developing their confidence and fluency as readers.

Maths: Pupils have been developing their understanding of angles. They learned that angles are formed when two lines meet and explored how the size of an angle is determined by the amount of turn. Pupils identified and classified right, acute and obtuse angles and used right angles to describe quarter, half, three-quarter and full turns. They also practised using the terms clockwise and anticlockwise to describe movement and direction.

Bye, Bye Ducks!

What an exciting week it has been! The girls enjoyed observing the ducks in their habitat, watching them swim and even having the chance to hold a duckling. It has been a memorable experience as we said goodbye to our feathered friends.

Monster Kickabout

On Thursday, the girls proudly donned their football kit and took part in an exciting Monster Kickabout event. They showed excellent teamwork, enthusiasm and sportsmanship throughout the day, making the most of a fantastic football experience.
