Week ending: Friday 12th June 2026

Aspirations, Expectations, No Excuses

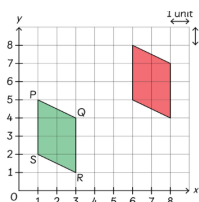

This Week...

English:

We began writing a set of instructions in time order, to help the players understand how to play the game. They achieved this by considering which words will link the instructions to the game theme.

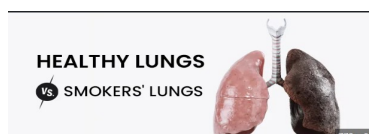

Mathematics:

In Mathematics this week we started looking at co-ordinations and how to describe translation of given shapes accurately.

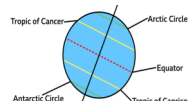

Science:

The girls learnt about how to keep healthy. They explored substances that are harmful for their health, such as smoking and the damages that it can cause to their body.

Geography:

In this lesson we explored all the Earth's major lines and their significance. The girls identified and located the seven continents and the Earth's major lines,

labelling them all on a map.

Welcoming the World Cup...

On Thursday, the girls participated in a monster kick about, football tournament. Ask your girls more about it, The results are shown below.
