Year 6 Newsletter 34

Week ending: Friday 12th June 2026

This week, for our Enterprise projects, the girls continued developing and improving their products to maximise profitability. They also began packaging the completed items and storing them carefully in preparation for sale.

Monster Kick about Year 6 girls took part in an exciting football event, where they showed fantastic teamwork, enthusiasm, and sportsmanship. The girls thoroughly enjoyed the experience.

For English writing this week, Year 6 wrote a narrative inspired by their class text, Harry Potter and the Philosopher's Stone. Their writing was vivid, and the range of language features they used added real flair and impact to their work. They also created an immersive atmosphere by making it appealing to the five senses.

Bee Keeping Experience

This week, we took a small group of girls on a trip to a beekeeping site, where they had a fascinating talk

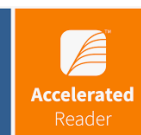

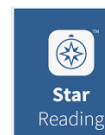

from an experienced beekeeper about the different types of bees in a honeybee hive. We learned about drones and workers, and about the queen bee. Then we put on our Bee suits and were able to go into the area where the hives are kept to actually open up a hive and see the bees inside.
