Week ending: Friday 19th June 2026

Aspirations, Expectations, No Excuses

This Week...

English:

We have completed all our English assessments and published our environmentally friendly leaflet.

Mathematics:

The girls have now completed all their maths assessments this week and have started to learn Roman Numerals.

Numbers	1	2	3	4	5	6	7	8	9	10
Roman	I	II	III	IV	V	VI	VII	VIII	IX	X

Computing:

The girls have begun their coding journey and are learning how to create simple computer programs, developing their computational thinking and problem-solving skills along the way.

Geography:

The girls compared the physical and human geography of Italy and United Kingdom (UK).

They used maps and atlases to locate major cities and landmarks of both countries.

On Thursday...

The whole school took part in a Live Internet Legends AI Assembly. The girls learned about what AI is, how it is used and where it can be found. They were involved in various interactive challenges. Ask your daughter what she enjoyed about it.
