Winterbourne Junior Girls' School

Year 6 Newsletter 35

Week ending: Friday 19th June 2026

Year 6 pupils joined a live online safety assembly streamed to schools across the UK, taking part in interactive challenges that reinforced important messages

In Geography, this week, Year 6 published their research booklets as part of The Great Big UK Challenge. Working in teams, pupils planned their own research, gathered information about their assigned UK regions, and compiled their findings into informative booklets.

Reading Buddies:

This half-term, Year 6 girls are enjoying spending time with Year 3 pupils as Reading Buddies. They listen to the younger children read, share stories together, and help to build their confidence and fluency. The sessions are a wonderful opportunity for pupils across year groups to connect and develop a love of reading.

Our Enterprise Project
In DT this week, Year 6s prepared presentations to introduce their products to the rest of the school ahead of next Friday's sale. Pupils showcased their IT skills by taking photographs of their finished products, uploading them, and creating informative slides with key details for potential customers. Through this process, they developed their digital literacy, presentation, and marketing skills while preparing for a real-life enterprise experience.
