

Winterbourne Junior Girls'

Year 5 Newsletter

Week ending Friday 26th June 2026

This week, pupils completed assessments in Reading Comprehension and Grammar. They also completed the body of their Advice Text. In Maths, assessments in Arithmetic and Reasoning were done and pupils have begun to recap topics explored throughout the year in preparation for Year 6. In PSHE, pupils discussed how they feel when change happens and how a girl's body changes during puberty. They understand that puberty is a natural process that happens to everybody and that it will be ok for them. During Computing, pupils planned a non-fiction concept map. They understand why it is important to organise information clearly and break information down into manageable chunks.

Pupils explored the continent of North America in some detail, created a fact-file of the USA and described the formation of the Great Lakes. Pupils also participated in Windrush Enrichment Day on Tuesday.

Curriculum

Class Text: The Giant's Necklace

English: Instructions/advice

Math: Four Number Operations

PSHE: Relationships

Geo/Sci. Unit:
