Winterbourne Junior Year 3 Newsletter

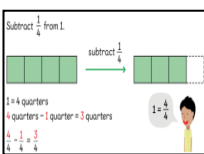

Week ending Friday 5th June 2026

English: We have started reading *Journey to Jo'burg* by Beverley Naidoo. This week, the children researched Johannesburg, created fact files and started writing reports about the characters' experiences. Through the story, they have also been learning about Apartheid and what life was like for Black South Africans before 1994.

Maths: To conclude their learning on fractions, Year 3 learned how to add and subtract fractions with the same denominator, including subtracting fractions from one whole. They showed a good understanding of equivalent fractions and then applied their knowledge to solve a range of word problems, explaining their reasoning and methods clearly.

We have ducklings!

It has been an exciting week in Year 3! Our duck eggs arrived on Monday and hatched on Wednesday and Thursday. We were lucky enough to witness a live hatching and have enjoyed watching the ducklings settle into their brooding cage. This has linked perfectly with our Science topic on life cycles, bringing our learning to life.

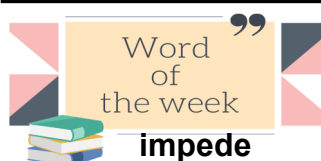

Discover Opera (Summer '26)

On Friday, pupils participated in a live lesson with the Royal Opera House, where they enjoyed live opera performances, sang along with children nationwide, and explored the behind-the-scenes work of theatre production.
