Week ending: Friday 5th June 2026

Aspirations, Expectations, No Excuses

This Week...

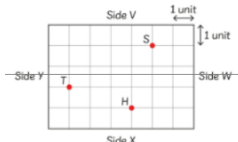

English

We have started to explore a non-fiction text. The girls have begun to create an environmentally friendly leaflet using persuasive language to keep the reader engaged and convinced.

Mathematics

The girls have started to learn about how to describe positions on a 2D grid as distances in the horizontal and vertical directions.

DT

The girls started to evaluate and plan their design for their board games based on the topic "What happens inside us."

Geography

This week the girls learnt to locate Europe on a world map and identified eight European countries including Russia and compared their location to the United Kingdom. They developed their mapping skills by

accurately labelling these countries using an atlas.

This week...

On Wednesday, the girls visited the BFI Southbank to meet Baroness Floella Benjamin and watched a movie about the challenges she faced when she came to England. Ask your daughter about the trip.
