Winterbourne Junior Girls' School

Year 6 Newsletter 38

Week ending: Friday, 10th July 2026

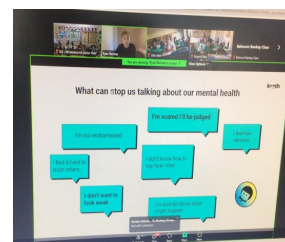

Despite the hot weather, our Year 6 girls showed great enthusiasm and resilience as they enjoyed playing rounders together. They demonstrated excellent teamwork, communication, and sportsmanship.

In Science, Year 6 have been learning about the human reproductive system and how it plays a vital role in the life cycle. They approached this important topic with maturity, asking thoughtful questions and developing their understanding with confidence.

Transition workshop
As part of their transition programme, our Year 6 girls took part in an online workshop led by Kooth, the UK's leading digital mental health service for young people. The session introduced them to ways of managing emotions and accessing support as they prepare for secondary school. It was a positive and empowering start to prepare for the journey to their new school.

This week, our Year 6 girls returned to their Green Project to harvest the vegetables they have been growing. They are looking forward to celebrating their hard work next week with a special party at the allotment.

In Spanish, our girls put their language detective skills to the test as they explored another language. They learnt the French vocabulary for a range of fruits, vegetables and sports, while developing their reading and writing skills in French.

Rehearsals — Celebration of Achievements

The girls have been practising their class performances, songs, and all the things necessary to prepare for a very successful production that celebrates their achievement at Winterbourne. They are very excited and enthusiastic about the event, though some are still nervous about being on stage. Further information about the event will be given next week.

Star Students

6.1: Salma & Sofia

6.3: Jannat & Nusaybah

Players of the Week

6.1 - Fatima

6.3 - Haniya & Sundus
