Animation Workshop:

Year 6

girls took part in a hands-on animation workshop with Animation Nation, where they used clay, cameras and creative backgrounds to bring their stories to life. The session was great fun and helped develop their creativity, teamwork, problem-solving and communication skills.

Our Sports day at Croydon Arena

The day was a huge success, and Year 6 had a wonderful time at the Arena. There was an impressive display of skills, stamina, determination and sportsmanship from the girls. Well done to all, and congratulations to everyone who were this year's winners. Many thanks to all the parents who attended the event to support their children.

Our transition trip to the most famous London Landmarks

It was a truly unforgettable experience for the girls as they took responsibility to plan their journeys to visit the Landmarks. The trip provided a fantastic opportunity for the girls to enhance their mapping skills while exploring the famous attractions: Buckingham Palace, Big Ben and the Houses of Parliament, The London Eye and Trafalgar Square and the National Gallery. They worked their way around the capital and led their adults throughout the trip. The whole experience of travelling via public transport, and finding the Landmarks was invaluable experience to help them get ready for their secondary education. Well done, Year 6.
