This Week...

What a fantastic Cultural Week! The children have enjoyed celebrating their heritage, exploring different cultures and discovering what makes us unique.

They explored key vocabulary,

traced their ancestors' countries on world maps, created *All About Me* fact files and cultural

fashion dolls, and proudly shared special objects and their stories. A wonderful week of learning, sharing and celebrating diversity!

Science

The girls have begun their exciting new Autumn topic, "How Do I See?" and "How Do I Hear?" They created their own topic pages, sharing their ideas and getting ready to explore the amazing ways we use our senses!

Art

Pupils focused on abstract art and learnt about the artist Wassily Kandinsky. While listening to music the girls created their own response using lines, colours and shapes.

Religious Education

The girls learnt about what helps them make the right choices and live a good life in a community governed by rules.
