

Winterbourne Junior Girls'

Year 5 Newsletter

Week ending Friday 11th September 2026

The girls have had an excellent start to Year 5, showing our school values of teamwork, respect and tolerance. As is customary at the start of a new academic year at WJGS, pupils worked on their Cultural Heritage projects, where they explored their ancestry and traditions. They also identified the values portrayed by their families and presented on an object that holds special significance to them. In collaboration with their parents, pupils found out more about their family traditions and values. The girls understand that their identity refers to their qualities, beliefs, personality, looks and expressions that make them unique and that their cultural identity is important for helping them to belong, feel safe, feel proud and to show respect and tolerance for each other.

Curriculum
