Year 6 Newsletter 2

Week ending: Friday, 18th September 2026

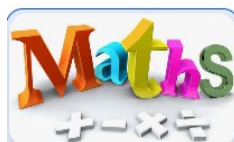

This Week -

In English, we have started our new class text 'Romeo and Juliet.' The girls explored the play's historical context and brought the feud between the Capulets and Montagues to life through acting.

They are now writing a monologue in Tybalt's voice, using powerful language and dramatic expression to capture his fiery character.

In Maths, this week, Year 6s have been revising their understanding of place value all the way up to 10 million, making sure they know exactly what each digit represents. The girls have also been putting their mathematical detective skills to the test by comparing numbers and deciding which are greater or smaller. They have been ordering numbers from smallest to largest and largest to smallest,

In PSHE this week, Year 6 explored the universal rights of children and developed an understanding that, while every child is entitled to these rights, they are not always protected or experienced equally around the world.

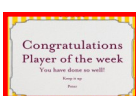

We are celebrating Roald Dahl Day. Date: Monday 21st September

Children can come to school wearing yellow or as a character from a Roald Dahl book or wearing their school uniform back to front. A charity donation of £1 needs to be brought in.

The Green Project has started up once again after the summer break, and the girls have enjoyed their first visit to the school's allotment. They also had the exciting opportunity to harvest a variety of fresh produce, including apples, pears, tomatoes and grapes. It was a wonderful hands-on experience, giving them the chance to explore nature, learn about growing their own food and enjoy the fruits of the allotment.

Saturday Tuition starts tomorrow (19.09.2026).

Girls should arrive by 1:20pm
picked up time is 3:30pm.
