Week ending: Friday 25 September 2026

English:

The girls have been doing a lot of sweaty English this week. They started editing and improving their descriptive character piece and then had the opportunity to publish their final piece.

For example: 'The wolf stood there his eyes spark, and yellowish like yellow paint, his teeth were white like a cloud, his gums were pink like his tongue and his bubbly spit was dripping from his jaw.' Roselyn-Grace

Maths:

The girls have been doing a lot of sweaty maths this week! They have started to add three digit numbers with ones, without regrouping. They have used a range of methods to find their answers; number lines, dienes, place value chart and column method.

	h	t	o
	3	1	4
+			3
	3	1	7

4 + 3 = 7
310 + 7 = 317

Next week, the girls will be introduced to adding three digit numbers to tens and hundreds with out renaming. Please practice column addition method with your child at home. The more practise, the better!
