Winterbourne Junior Girls' School

Year 6 Newsletter 3

Week ending: Friday, 25th September 2026

In Science this week, the girls have been learning all about the water cycle and revising the three states of matter: solids, liquids and gases. They have explored how water changes state through evaporation, condensation and precipitation, building on their understanding of this fascinating process.

nating
process.

Year 6 Privilege ties are given out to the girls to mark their position of responsibility and leadership within the school community. This approach nurtures a culture of respect, aspiration, and accountability, reinforcing the idea that privileges come with responsibility.

In RE, the girls explored why special moments in people's lives are marked by religious ceremonies. They discussed different ceremonies and reflected on their own experiences, describing a ceremony they have taken part in and explaining why they enjoyed it.

Player of the Week Certificates

- 6.1: Effiba
- 6.2: Kaci
- 6.3: Princy & Shanzay

Bucket Fillers

- 6.1: Johanna & Ayesha

- 6.3: Inthu

Star of the Week Certificates

- 6.1: Marwa & Aniyah

- 6.2: Pranika & Imaan
- 6.3: Kelliana & Ahana

Our Year 6 girls had a fantastic time at their beekeeping session this week! They were thrilled to get hands-on experience with the bees and learn all about how honey is made. The highlight of the session was extracting their very own honey, a truly exciting and rewarding experience. The girls were fascinated to see the process from hive to jar and were delighted to taste the delicious honey they had helped to produce.

Subject	Homework Due Wednesday 30.09.26
