Winterbourne Junior Girls' Year 3 Newsletter

Week ending Friday 16th October 2026

English:

The girls have been writing newspaper reports based on The True Story of the Three Little Pigs. They explored key features like headlines, orientation paragraphs, and used drama to step into character as the pig, the wolf, and a reporter. This helped them practise using direct and reported speech in their writing.

STARS OF THE WEEK

3.1: Kaiya & Iqra Se

3.3: Selinam & Di-amon

Bucket Fillers

3.1: Vyoma & Pragyaa

Maths:

The girls began learning how to subtract 3-digit numbers using the column method. They first practised solving subtractions without renaming and then moved on to renaming when needed.

Please practise both addition and subtraction column method with your daughters.

Black History School Project

As part of Black History Month, the school is launching an exciting, legacy-building curriculum project. Our goal is to build a lasting piece for school history, with each class adopting a notable Black British figure to research throughout October before curating a book for the school library.

On Monday 19th October, the girls are required to wear their **full PE, alongside their blazer**, to school. Throughout Monday the girls will take part in their first WJGS Enrichment day, where they will take part in 9 different activities with Black History as the theme.

DT Project:

Throughout our first half term, the girls have been learning about structures and electrical systems. They have designed a house for a child to play with, around the theme of the three little pigs and will be constructing the electrical components next week, as well as measuring, making and cutting their house. During half term, we require the girls to decorate the outside of their house, based on **one** of the three little pig's houses.
