

Winterbourne Junior Girls'

Year 4 Newsletter

Week ending Friday 16th October 2026

Love is an endless act of forgiveness. Forgiveness is the key to action and freedom.

- Maya Angelou

This Week...

English

We wrote a newspaper report about the events of Chapter 3 by analysing the structure and language of a newspaper article, listing the main events in the text and planning the newspaper article.

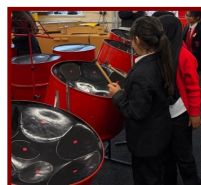

Mathematics

The girls learnt how to subtract with renaming in the thousands, hundreds, tens and ones columns.

They also learnt what "difference" means in maths terminology.

On Monday, our pupils enjoyed an engaging steel pan workshop, exploring the instrument's history while developing their musical skills. They discovered Caribbean musical traditions and celebrated the vibrant cultural heritage that is an important part of Black history.

Computing

Pupils have been learning how to plan their own animations. They used storyboards to organise their ideas, map out each scene and decide how their animation would develop.

Music

Pupils have been learning about the difference between pulse and pitch in music. They explored how the pulse is the steady beat we can clap or tap along to, while pitch tells us how high or low a sound is.

Bucket Fillers

- 4.1 Aliza
- 4.3 Nadar

CITY HARVEST FESTIVAL

Thank you so much to all our lovely parents for your incredible generosity with our Harvest collection. It is wonderful to see such kindness and support for City Harvest, and we are very grateful to everyone who contributed.
