Year 6 Newsletter 6

Week ending: Friday, 16th October 2026

Black History Month: 6.1 explored the life and achievements of Dr Maggie Aderin-Pocock by writing biographies and taking part in hot-seating activities to deepen their understanding of her inspiring journey and contributions to science.

6.2 explored the life and legacy of Mary Seacole by writing letters from the perspective of soldiers expressing their gratitude and emotions.

They also designed flyers for the British Hotel, showing their understanding of soldiers' needs, and created their own lanterns inspired by Mary's care for the wounded.

6.3 explored the life and struggles of Claudia Jones through diary writing, imagining her struggles and fight for equality. They also designed colourful Carnival costumes and created illustrated word art celebrating her values and achievements. They have also begun creating their own newspaper pages inspired by Claudia's Gazette.

Our Year 6 girls took part in an exciting live workshop exploring the famous

Bayeux Tapestry, discovering its fascinating history and the story it tells. The interactive session brought their history learning to life and gave them a wonderful opportunity to deepen their knowledge of this remarkable piece of medieval art.
