Year 3 Newsletter

Week ending Friday 2nd October 2026

English:

The girls have begun re-telling The True Story of the Three Little Pigs. In their writing, they have been experimenting with a variety of adverbs and modal verbs to make their stories more expressive. They were also introduced to another Alan Peat sentence type: the "if, if, if, then" sentence, as well as the double -ly sentence, helping them add more complexity and style to their writing.

Maths:

The girls have been doing a lot of sweaty maths this week! They have started to add three digit numbers with ones, tens and hundreds, with regrouping. They have used a range of methods to find their answers; number lines, dienes, place value chart and column method.

Art:

This week the girls used pastels to create a scene/picture of something lightning up.

RE:

To continue our study on 'How Christians refer to God', we explored the Trinity and what this means for Christians.

Computing:

Pupils began learning about emails as a way to communicate. They explored the main features of an email and, as a practical activity, they sent an email to a classmate, developing their understanding of how digital communication works.

City Harvest:

For our Harvest collection this year, we have chosen to donate to City Harvest. **We are asking the girls to bring items for the collection.**

The ideal types of food to collect are long-life, cupboard staples: packets of rice, pasta, grains, pulses; tins of meat, fish, beans and soup; jars of sauces and condiments; as well as fruit juice and squash. Food must be unopened and in its original packaging. Food must have labels (in English) with ingredients, allergens and a best-before/use-by date. They cannot take food past its use-by date.
